1st Semester Grading Policy

LAUSD has implemented a grading policy from the first semester. Every student will have the opportunity to pass their first semester classes even if they finished with an "F". If a student finished the semester with an "F" the student will receive an INCOMPLETE with the opportunity to make the grade up in order to pass the class. The student can earn a "C" if they make up the assignments the teachers inform them about. Each student will have until Friday February 5th to turn in the work to pass their classes from first semester. We want EVERY student to have the opportunity of passing ALL of their classes successfully. If you have any questions please email Principal Navarro. snavarro@newmillenniumschool.org
