# 2014-15 New Millennium Secondary School Student/Parent Handbook

## Message from the Principal of New Millennium Secondary School

---

Dear Student and Parents/Guardians:

Welcome to the 2014-15 school year. This year is one of many transitions, both with academics and organizationally. This year marks the official implantation of the Common Core State Standards (CCSS) in all core subject areas. Although NMSS began transitioning to the CCSS four years ago, this year the educational shift is complete with all curriculum and teaching embracing the new state requirements.

With the new standards, students and parents may notice a gradual increase in the level of reading and rigor of student work assigned. These new standards will impose a new level of rigor for our students and will emphasize the reading, writing, and critical thinking skills required for college and career readiness. Texts used in all classes will be primarily non-fiction based, utilizing a variety of written media for all subjects. This change in the content standards is closely aligned with the mission and vision of NMSS, and the entire staff is excited about the increased national focus on rigor and college readiness.

In addition to the academic changes, NMSS is partnering with Alliance for College Ready Public Schools charter management organization, the largest nonprofit charter organization in Los Angeles. The Alliance mission is similar to that of NMSS, and this partnership will allow for the staff and teachers of NMSS to be supported by one of the most successful charter management organizations in Los Angeles, ensuring the best for our students.

Each year at NMSS brings new opportunities for all, and the faculty and I are all looking forward to working with each and every family to ensure that this academic year is successful academically and socially for our students. We ask that students come to school prepared and on time to school each day ready to do their best. Success is a team effort and every part of that team, students, parents, teachers, and staff, is an integral part. When we all do our best, we ensure winning outcomes.

I am looking forward to working with you and your student during the 2014-15 school year.

Go Warriors!

Sincerely,

Kim Irons  
Principal/CEO

NMSS uses “the Six Pillars of Character” as a framework for school culture. # STUDENT & PARENT RESPONSIBILITIES

## ACADEMIC INTEGRITY

In an effort to encourage students to establish lifelong skills of honesty and integrity, it is the policy at NMSS to promote academic integrity. Any kind of work submitted as your own that you did not produce in its entirety is academic dishonesty. Assisting others in academic dishonesty makes a student equally responsible.

Examples of Academic Dishonesty include:

- Homework (copying from another student)
- Getting/Giving answers to test taken earlier
- Copying or sharing answers between students on homework, quiz, or test
- Crediting source material that was not used for research
- Allowing another student to copy from you
- Plagiarizing from the Internet, a written text, or any other source without quoting proper citation
- Text messaging answers from any quiz or test to another student

As per the Code of Conduct Matrix (p 25) students caught cheating will not be allowed to take NMSS facilitated CSUDH courses, however are still required to fulfill the college class requirement to graduate.

## ADVISORY

Providing a personalized learning environment in out school through Student Advisory is a core value at New Millennium Secondary School.

Students learn best in a small learning communities where their education is personalized, where they know their teachers, where their teachers and all adults in the school know them, where advisory structure connect each student with a personal learning team, and where there is a student voice in all aspect of the school that directly affect them.

Student voice is essential in all aspects of the school that directly affect student learning, interests, and needs through structures such as advisory groups that connect each student with a personal learning team. In the advisory period no student is allowed to “fall through the cracks” of anonymity.

The advisory focuses on four primary areas: (1) Personal Development, (2) Social Responsibility, (3) College and Career, (4) Community Building. The advisory teacher serves as the students’ home/school connection and counseling support for four years so that students are connected to consistent adult guidance with studies, student relationships, and planning for college. All students will be well-knownknown well and supported through small advisory groups of 15-20 students. A credentialed teacher will serve as advisor and will work with the same students through graduation. The advisory structure will provide a small focused support group to motivate and support each individual student’s progress.

## ATHLETICS

All NMSS students may participate in CIF sanctioned sports through Gardena High School. Interested NMSS students must first complete the athletic registration packet and both the student and parent/guardian must sign all contracts included in the packet. NMSS students will not be able to try-out or participate in any CIF sanctioned sports if the physical evaluation form is not completed.

### **Athletic Eligibility Requirements**

To be eligible to participate in athletics, students must maintain a 2.0 grade point average and have no grades of “F”. If a student’s grade point average falls below a 2.0 or contains an “F” grade for one grading period she/he is placed on probation for the next six weeks during which time, they will not be able to participate in any games. At the conclusion of the six weeks, if his/her grade point average remains below a 2.0 or continues to have an “F” grade, he/she cannot participate in any contests until his/her posted grade point average is at least 2.0.

### **ATTENDANCE**

Student success has a direct correlation with consistent and punctual attendance in class and school related events. Student with good attendance records achieve higher grades, enjoy school more, are more successful in their pursuit of higher education, and are more employable after leaving school.

California law states that every student shall attend school punctually and regularly and conform to the regulations of the school. It is NMSS policy that students attend class regularly; that work missed because of school related activities or illness must be promptly made-up; that truancy is unacceptable; and that other absences approved by the parent be minimized or avoided whenever possible. Students who are chronically absent or tardy may be referred to the School Attendance Review Board (SARB).

NMSS strives to achieve at least a 95% attendance rate each month of the school year. In order to achieve a 95% attendance rate, students are expected to attend school every day for the entire day (8:00 am-3:20 pm). Attendance is an essential element to a successful school experience and although a students may be absent for a legitimate reasons, it is not the same as being in class. However, students must be present for 80% of any course to earn credit. **Students who fail to attend classes for two (2) consecutive weeks without first contacting the school will be withdrawn from the school and their spot given to a student on the waitlist.**

Formatted: No underline

### **Procedure for Clearing Absences**

When a student returns to school after being absent, he/she must provide the Main Office with a dated note from a parent/guardian explaining the reason for the absence and the duration. After the office has verified the letter, the student will receive a re-admit and return to class. Absences must be excused by phone message from the parent/guardian to the NMSS Office (310) 999-6162 within five (5) days of the student’s return to school. Phone messages must include the parent/guardian name, student name, date(s) of absence, reason for absence, and phone number of the parent/guardian. Notes will only be accepted from a doctor, dentist, or court responsible for the absence. Any absence for an illness lasting three (3) days or more must be accompanied by a doctor’s note for students to be excused and readmitted to school. **Parent/guardian notes will not be accepted to excuse student absences of 3 days or more.**

The student must keep the re-admit in a safe place and present it to each teacher at the beginning of each period until ALL periods have cleared the absence. Students will not be admitted to class without a re-admit.

Absences longer than 3 days due to illness require a doctor’s not to excuse the absence. A student may not participate in any after-school extracurricular activity if he/she is absent from school the day of the activity.

### **Excused Absences**

Excused absences are categorized as acceptable reasons to miss class as outlined by California Education Code and allow a student to make up any work that was missed due to the absence, and do not count against the 80% of class attendance required to earn credit for a course.

Formatted: Centered

**Excused Absences Include:**

- (1 ) Due to his or her illness. (C.C.R. Title 5, 202.“A pupil with a suspected contagious or infectious disease may not remain in any public school.” They may be readmitted to school with written documentation from their physician and/or a public health officer that they are no longer contagious/infectious)
- (2) Due to quarantine under the direction of a county or city health officer.
- (3) For the purpose of having medical, dental, optometry, or chiropractic services rendered.
- (4) For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
- (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil’s absence has been requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

**School-Related Absences**

School-related absences include field trips, academic events, school office appointments, and suspensions.

**Unexcused Absences**

Unexcused absences are absences that are not deemed acceptable by the California Education Code and do not require teachers to allow student to make up work that is missed due to the absence. Any student with ten (10) or more unexcused absences will not receive credit for the course.

Unexcused Absences Include, but are not limited to:

- Family Trips
- Personal Reasons (not outlined in #7 above)
- Menstrual Cycle
- Sibling Care
- Car Troubles/Traffic/Transportation Issues
- Truancy
- A Tardy of 30 minutes or more.

**Tardy Policy**

Tardy students walking into a class have a negative impact on the learning environment for everyone. Students are expected to be seated in the classroom and ready to begin work at 8:00 a.m. The only time a tardy is considered excused is if it is due to a completed appointment from a doctor or dentist’s offices and a note from the appointment is presented when the student enters campus. If a student is tardy for any other reason, the tardy is noted as unexcused. It is critical that students are on time to every class. Students arriving after 8:05am must have a pass from the Campus Supervisor to be admitted to class. Please see the Code of Conduct Matrix (p25) for consequences related to tardies. Students who are chronically absent or tardy may be referred to the School Attendance Review Board (SARB).

Formatted: Centered

### **Truancy Policy**

Students who arrive more than thirty (30) minutes late to class without a valid excused absence reason, or leave campus without a valid reason, as stated in the excused absence section (p 10), when scheduled for class may be issued a truancy citation by law enforcement. A state law, SB558, which became effective January 1, 1992, permits a court to suspend or delay the issuance of a driver's license to any minor who is truant from school. Students who are chronically absent or tardy may be referred to the School Attendance Review Board (SARB).

### **BATHROOM POLICY**

Students are to use the restrooms before school, at lunch, during passing periods, or after school. Class time should not be used for personal reasons. Students may not use the restroom during the first or last 15 minutes of each class. Students with medical issues that may require more frequent bathroom usage must provide a doctor's note to the NMSS Main Office to be exempt from this policy. It is at the teacher's discretion to allow a student to use the restroom during class time. Students will be issued 8 bathroom passes each quarter (16 per semester). Students must ask and be granted permission by the teacher to use the restroom, even with a bathroom pass. Students needing to use the restroom without a pass, may be allowed to at the discretion of the teacher, but consequences may be issued. Unused bathroom passes will be collected by students' Advisory Teachers at the end of each quarter and exchanged for Model Warrior tickets.

### **BICYCLES**

Students may ride bikes to and from school, observing all safety and traffic rules and laws. Bikes are to be locked up before school in the designated area. Students riding bicycles **must wear a helmet** and must lock their bike securely. Although the school is providing a designated parking and storage area, New Millennium Secondary School assumes no responsibility for loss, damage, or theft.

### **BLOCK SCHEDULE**

New Millennium Secondary School has an alternating block schedule. Students will take 7 classes each semester. (See "Bell Schedule", p 7)

### **CODE OF CONDUCT**

The image a school portrays is often determined by the behavior of its students and the physical appearance of the building. We must all – students, teachers, administrators, support staff, parents, and community members – show pride by doing our share to make NMSS a better place in which to learn and work. One of the main goals of NMSS staff is to develop self-discipline in all students. The Code of Conduct Matrix (p 25) outlines the consequences for inappropriate behaviors.

NMSS rules apply while on school premises, or during school activities at or away from school, or off the school grounds if the situation is initiated at or by the school. Students shall be given due process before a disciplinary action is taken. Any student conduct that would constitute criminal conduct under the California Education Code is also a violation of the Code of Conduct. The rules also apply to any form of student misconduct directed at a district or school official or employee, or the property of a school or district official or employee, at any place, at any time. A violation of any rule may result in disciplinary consequences. Please see The Code of Conduct Matrix (p 25) for specific consequences for failure to follow the NMSS Code of Conduct.

## EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities are intended to supplement and enrich the regular school program for students and neither replaces nor interferes with the prescribed course of study. Activities may require certain grade-point averages, teacher signatures, and/or other academic standing verifications for participation.

## GRADING SYSTEM

A student must complete at least 80% of a credit- bearing course to be eligible for credit. Unexcused absences or withdrawal from school will count against the percent of time that a student is in class and could affect the student’s ability to be awarded credits for the course.

NMSS has adopted a Standards-Based Grading model. All assignments will be graded with a rubric that grade for the level of mastery demonstrated on the assigned standards. Students will have the opportunity to resubmit assignments or complete alternative assignments, of the teacher’s design and discretion, to alter grades for any standard. Students can earn grades for each standard in one of three categories: assessments, professional conduct, including timeliness and completeness of assignments, and practice. Rubric scores demonstrate the mastery levels indicated below:

<u>Rubric Score</u>	<u>Mastery Rating</u>	<u>Grade Value</u>
4	Advanced	A
3	Proficient	B
2	Basic	C
1	Below basic	F
0	Student has not turned in assignment	

Formatted: Centered

Final letter grades are determined using averages of all total scores within each designated grading category for all course standards. Please see your individual teacher's syllabus for specific grading policies.

#### **Course Credit From Non-NMSS Institutions**

Students who transfer into NMSS with a grade(s) of "D" must retake the course to meet NMSS's A-G High School Graduation Requirements. The credits for a "D" grade will not be transferred, nor counted toward graduation progress. Students may transfer courses and credits from other institutions that are WASC accredited and for which they received a grade of "C-" or higher. Official transcripts are required before credit will be awarded.

### **GRADUATION REQUIREMENTS**

NMSS offers two diplomas: a General Diploma and a Millennium Scholar Diploma. Both diplomas require the completion of course work, the completion of community service hours, and the adherence to state requirements such as the California High School Exit Examination.

#### **General Diploma:**

1. Earn 230 credits
2. Complete the A-G course requirements
3. Pass both sections of the California High School Exit Examination
4. Take and pass one semester of a College-level course
5. Complete 75 community service hours

#### **Millennium Scholar Diploma:**

1. Earn 250 credits
2. Have a cumulative GPA of 3.0 or above
3. Complete the A-G course requirements
4. Pass both sections of the California High School Exit Examination
5. Take and pass one semester of a College-level "in seat" course
6. Pass one College-level on-line course

Both diplomas meet the basic entrance requirements for California State and UC systems, though do not guarantee admission to all universities. Admission to a university is based on the high school course work, cumulative GPA, SAT and/or ACT scores, and other criteria set by the university.

Though NMSS has a partnership with CSUDH allowing Millennium Scholar Diploma recipients admission to CSUDH, the Millennium Scholar Diploma students MUST still complete the application process for the university and all following responsibilities by the university designated deadline, and does not promise or guarantee any offer of financial assistance from the university.

### **HOMEWORK**

It is the responsibility of students to ensure that assignments are complete, even if this means working on it at home. Homework is posted on each teacher's class page at the NMSS website. Additional support from teachers is available during posted "Office Hours". Parents of students who regularly do not complete their homework will receive a phone call or letter from the student's advisory teacher.

## **ID (IDENTIFICATION) CARDS FOR STUDENTS**

All NMSS students are issued picture ID cards. The ID cards are required to enter the campus, purchase school lunch, attend school events, and for the eligibility of discounted fares on public transportation. Students must have their ID cards at all times while on campus. The first card issued is free. If a card is lost, a replacement must be obtained for a \$5 fee from the Main Office. New and replacement cards are available before and after school only.

## **INDIVIDUAL LEARNING PLANS**

All students at NMSS will have Individual Learning Plans (ILP). The ILP's will be reviewed regularly by students during advisory period and will include key progress information such as:

- Graduation requirements
- College entrance requirements
- Standardized test scores
- Specific academic interventions used or in process;
- Student goals;
- Teacher comments;

ILP's are useful tools not only for analyzing a student's most recent progress, but also for capturing how the student has been performing over time. It also serves as a focal point for conversations with students, parents, and teachers around goals and strategies to best support the students' learning and to increase their academic achievement levels.

## **INTERNET USE**

The Internet is an important resource for our academic program and New Millennium Secondary School is pleased to offer exceptional support through technology. Students will be issued access to this technology after demonstrating an understanding of and a willingness to comply with the regulations for acceptable use. Rules include limiting the use of school computers to school work and never using the computer to plagiarize someone else's work. Inappropriate use will result in the loss of on-campus computer privileges.

## **LOST AND FOUND**

The "Lost and Found" is located in the Main Office. Items not claimed within sixty (60) days are donated to charitable organizations. NMSS is not responsible for any personal items lost while on campus.

## **LUNCH**

Lunch is available for purchase by all students and includes an entrée, fruit and/or vegetable and milk.

Parents delivering food and/or lunch money to their student must report to the NMSS Main Office and leave the food or money in the Main Office until their student's designated lunch time. Parents may not drop off food directly to students at any time, including lunch.

Formatted: Centered

### **Free and Reduced Lunch**

Applications for free or reduced fee lunch will be made available during Student Orientation. Only one application is needed from each household and should be returned completed by the first day of school. A new application must be completed every school year to determine eligibility. The price for reduce lunch is the standard rate set by the National School Lunch Program.

### **MEDICATION**

The staff will NOT administer, nor provide non-prescription medication such as aspirin, acetaminophen, allergy capsules, diet pills, Pepto-Bismol, or any other over-the-counter medicine without a completed Medical Authorization Form.

For student safety, all medication to be administered at school:

1. must be accompanied by a written statement from the doctor detailing the method, amount, and scheduled time the medication is to be taken (this must be updated annually or when any changes are made)
2. must be accompanied by a written statement by the parent/guardian indicating the desire that the school staff administer medication to the student as ordered by the health-care provider (a health form will be provided to parents/guardians to fulfill this requirement)
3. must be handed to the NMSS Office Manager/Registrar by the parent/guardian (not the student)  
**EXCEPTION:** inhalers which may remain with the student with a doctor's note and completed Medication Authorization Form
4. must be labeled by a licensed pharmacist
5. must be in the original manufacturer's container with the student's name clearly written on the container

A student who needs to take medication and does not have the medical form on file will need to have their parent/guardian (or a person listed on Emergency Medical Card) come in and give medicine to the student.

### **NON-DISCRIMINATION POLICY**

The Los Angeles Unified School District and New Millennium Secondary School are committed to providing a working and learning environment that is free from unlawful discrimination and harassment. The District prohibits discrimination and harassment based on an individual's sex (including sexual orientation or gender identity, pregnancy, childbirth or related medical condition); ethnicity (such as race, color, national origin, and ancestry); religion (including religious accommodation); disability (mental or physical disability or reasonable accommodation); age; marital status; or any other basis protected by federal, state, local law, ordinance, or regulation. Harassment based on any of the above-protected categories is a form of unlawful discrimination and will not be tolerated. Harassment is intimidation or abusive behavior toward a student or employee that creates a hostile environment and that can result in disciplinary action against the offending student or employee. Harassing conduct may take many forms, including verbal remarks and name-calling, graphic and written statements, or conduct that is physically threatening or humiliating. Sexual harassment of or by employees or students, or persons doing business for the District or school is a form of sex discrimination in that it constitutes differential treatment on the basis of sex, sexual orientation, or gender, and, for that reason, is a violation of state and federal laws and a violation of this policy.

This nondiscrimination policy covers admission or access to, or treatment or employment in, District programs and activities, including vocational education. The District considers sexual harassment to be a major offense which can result in disciplinary action to the offending employee or the suspension or expulsion of the offending student in grades four through twelve.

## OUTSIDE VISITORS

All visitors must check in at the main gate prior to entering campus. Visitors must then proceed to the Main Office (room G-1) to conduct their on-campus business. All visitors **MUST PRESENT ID** at time of visit. Only outside visitors who are indicated on a student's emergency information may visit with, or call, an NMSS student out of class. All other visitors will not be permitted to see a student during the school day.

Outside visitors who are indicated on a student's emergency information may visit the classroom of a student provided that the student is currently in that classroom, the teacher has prior notification of the visitor's visit, and the visit last no longer than one (1) hour. Any disruption of the learning environment will terminate the visit and may result in that visitor no longer being permitted to visit the classroom and/or campus.

## PARENT ENGAGEMENT

Meaningful parent involvement is a critical dimension of New Millennium Secondary School and improves student achievement. Research has shown that active and consistent parent involvement leads to student success.

### Parent/Student/Staff School Compact

NMSS firmly believes that all students can and will achieve at high levels when administrators, teachers, staff, and parents work in collaboration with each other. As stated in the Parent/Student/Staff School Compact, each partner accepts responsibility for the successful education and college preparation of each student. This document is part of each student's enrollment packet and is explained to all new families during orientation. Continuing parents and students are asked to sign the compact at the beginning of each school year.

### Parents as Partners

The school values the role of parents as their child's first teacher and welcomes their active involvement in their child's education.

The school believes:

- Parents are partners and are needed to take active and meaningful role to insure the success of the school.
- Parents must be meaningfully and actively engaged in their child's education and responsible for supporting their child's learning at home.
- Parents must also understand what it will take to prepare their child for college.
- Parents must complete an annual parent satisfaction survey.

### Tips to Help Your Child Succeed

Research shows that effective and consistent parent participation leads to student success. Below are some suggestions to help your child succeed academically.

1. Encourage your child to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your child arrives to school on time each day and supports the school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Review your child's agenda or homework calendar and encourage your child to keep track of homework assignments, projects, exams, and other important school events.
4. Monitor your child's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your child is doing in school.

A schedule will be developed based on your interests and availability. Feel free to call the Assistant Principal of Student Services at any time thereafter to volunteer.

**PARENTS' RIGHTS REGARDING STUDENT RECORDS**

Parents and eligible students have an absolute right of access to student records. They have the right to file a complaint with the Department of Education if an educational institution fails to comply with the federal student records law.

**Information available to the parents**— 49063. The following information is available to parents upon request as required by federal and state law:

1. The types of pupil records and information contained therein which are directly related to students and maintained by the institution.
2. The position of the official responsible for the maintenance of each type of record.
3. The access record placed in each pupil's file.

8. The cost, if any, which will be charged to the parent for reproducing copies of records.
- 9 A prospectus of course offerings is available, upon request, from the school principal.

Parents may request the above information from the principal of the school where their child is enrolled.

### **PERMISSION TO LEAVE CAMPUS**

NMSS is a closed campus. School rules state that students cannot leave campus during their scheduled school day without parent/guardian permission.

1. Permission to leave because of ILLNESS must be obtained from a parent/guardian by the NMSS Main Office.
2. Permission to leave for appointments is obtained by written note from Main Office before school. A parent request note is also needed with a phone number where the parent/guardian can be reached for verification. A note from the appointment must accompany the student upon their return to school.
3. The person picking up a student must have a photo ID and be listed on the student's Emergency Medical Card. Parents may also provide written consent via note sent with child, emailed, or faxed containing the designated pick-up person's full name and parent contact information to verify. Staff will call the parent to verify authorization before the student is released.
4. Students may leave campus once their classes are completed if they have a signed "Permission to Leave Campus" form on file. Students with this permission will have an additional identifier on their student ID, and will have to sign out when leaving campus each day.

All students must leave the campus, or be signed in to the After School All Stars (ASAS) program by 4:00 pm each regular school day. Failure to be off school property or in ASAS constitutes loitering and may be punished through the Code of Conduct Matrix and/or with a citation from law enforcement.

### **SCHEDULES**

Students are scheduled based on their need to complete A-G requirements and spaces available in necessary courses. Due to the fact we have a limited number of courses and spaces, changes in schedules will be made under special circumstances only. Requests must be initiated by the parent/guardian, with a mandatory conference with a Student Service Coordinator to explain any academic implication(s).

### **SCHOOL SAFETY AND EMERGENCY PREPAREDNESS**

NMSS has established a comprehensive school safety and disaster plan under California Education Code §35294-35297, the U.S. Department of Homeland Security, and National Incident Management System. Elements in the plan include strategies and programs to ensure a high level of safety, including a safe environment conducive to learning at school, and disaster planning and procedures. Parents are encouraged to review the school site's Safe School Plan and the Emergency Preparedness Plan (located in the NMSS Main Office) to ensure an understanding of procedures designed to keep students safe in an emergency or natural disaster.

#### **Lockdown**

In the event of an emergency, the school may need to be placed in a lockdown mode. Students who are out of their rooms at the initiation of a lockdown must proceed directly to their next class. During a lockdown, no persons will be allowed on or off campus. This includes parents wishing to drop off or pick up students. All students are brought to an indoor location where they will remain until the lockdown is called off.

Formatted: Centered

## **SENIOR ACTIVITIES**

All student activities, including senior activities, require students adhere to the Code of Conduct. Students in violation of the Code of Conduct will face consequences which may include the revocation of senior activities including but not limited to prom, grad night, and participation in the graduation ceremony. Senior activities are a privilege and can be revoked by the administration for severe academic and/or behavioral misconduct.

Any participation in “senior pranks” that present a danger, or perceived danger, to those involved or bystanders will result in the loss of all remaining senior privileges, including participation in graduation ceremony. Any senior activity that is not attended due to disciplinary revocation will not be eligible for refund.

## **SEXUAL/HEALTH EDUCATION AND HIV/AIDS EDUCATION**

Ed. Code Sections 51933, 51934, 51938. Requires school districts to provide HIV/AIDS prevention education at least once in middle school and once in high school. These Ed. Codes permit school districts to provide comprehensive sexual health education. Parents will be notified if guest speakers will be used to provide instruction. A parent or guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education by letting the school know in writing.

## **SPECIAL EDUCATION**

### **Eligibility and Services**

Eligibility for special education placement and services is determined by an Individual Education Program (IEP) team in compliance with existing state and federal laws. 504 plans are also provided to students with identified needs in compliance with existing state and federal laws. Programs and services are offered to meet a variety of needs for students with disabilities. Under certain conditions, students may receive services from other agencies such as state schools, county-operated programs, and nonpublic schools/agencies, and/or through home and hospital instruction. Each child is entitled to receive a free appropriate public education in the least restrictive environment as determined by his/her IEP or 504 team.

### **Parent Rights**

Parents and guardians of pupils enrolled in or being considered for enrollment in special education programs have certain rights and responsibilities related to their child’s potential or ongoing placement in special education. A full explanation of these rights is available from the Main Office and in the Resource Office.

## **SUPERVISION**

Adult supervision is provided by NMSS between the hours of 7:30 am and 5:00 pm. Any student on campus after 5:00 pm but not participating in a supervised athletic program through GHS is considered loitering and may face a citation and fine from law enforcement.

## **SUSPENSIONS AND EXPULSION**

The NMSS Pupil Suspension and Expulsion Policy established is designed to promote learning and protect the safety and well being of all students at NMSS. When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction.

Formatted: Centered

This policy serves as NMSS' policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. See the "Code of Conduct Matrix" on page 25 and the "NMSS Recommendation for Suspension/Expulsion Guide" on page 26 for more information.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion. Students will be provided all classroom assignments and related materials with the expectation that these assignments will be completed while on an extended suspension.

NMSS will comply with the federal Gun Free Schools Act of 1994. A student will not be suspended or expelled for truancy or tardiness.

### **STUDENT BODY GOVERNMENT**

At the end of each school year Student Council will hold elections that are open to all eligible members (minimum 2.5 GPA, discipline and attendance records) of the student body. A meeting is held during which students may pick up campaign materials. The Student Council schedules, publicizes, and plans a variety of student activities. Elections for incoming 9<sup>th</sup> grade students are held at the beginning of each school year. Any student participating in Student Government who does not uphold the policies and procedures set forth by the school administration will be dismissed from student government. This includes but is not limited to excessive absences/tardies, repeated dress code violations, and willful defiance. Participation in student government is considered an extracurricular activity and may be revoked if deemed necessary by the Assistant Principal of Student Services.

### **TARDY POLICY**

Success in school depends upon prompt, regular attendance. Students are expected to be at school, on time, every day (See Attendance and Grading Policy).

### **TEXTBOOKS**

New Millennium Secondary School furnishes all necessary textbooks. For identification and inventory, each book is stamped with school information and numbered with a barcode. Each student is responsible for all textbooks loaned to him/her and is expected to return each book at the end of his/her participation in the course or pay for any book lost, destroyed, stolen, or mutilated. No records, transcripts, or diplomas will be issued until all books are turned in and/or fees paid.

Students should immediately write their name in all textbooks issued to them in the space provided inside the front cover.

Education Code 48904b states that any school district or private school whose real or personal property has been willfully cut, defaced, or otherwise injured may, after affording the pupil his or her due process rights, withhold the grades, diploma, and transcripts of the pupil responsible for the damage until the pupil or the pupil's parent or guardian has paid for the damages. The above code has been amended to provide for the withholding of grades, diplomas, or transcripts if a student fails to return borrowed school property, including textbooks, upon demand from school authorities.

## New Millennium Secondary School Code of Conduct Matrix
