## **Universal Complaint Procedures**

No qualified student with a disability shall, on the basis of that disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination/harassment under any District program or activity. The denial of equal access to the District's educational programs and/or activities and/or the denial of a "free appropriate public education" (FAPE) on the basis of a student's disability(ies) is considered disability-based discrimination under both federal and state law.

Any student/parent/guardian/individual/organization has the right to file a written complaint of disability discrimination, including but not limited to failure to provide equal access to a student with a disability, failure to provide FAPE, failure to implement a student's IEP, and failure to adhere to a student's procedure safeguards, within six months from the date the alleged discrimination occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination.

Discrimination, Harassment, Intimidation or Bullying of Protected Groups (related to employee-to-student, student-to-student, third party to student, employee-to-third party)

Existing law requires the adopted course of study for grades 1 to 6 inclusive, to include instruction in specified areas of study, including physical education for a total period of time of not less than 200 minutes each 10 school days, exclusive of recesses and the lunch period. Instruction in physical education in an elementary school maintaining any of grades 1 to 8, inclusive, shall be for a total period of time of not less than 200 minutes each 10 school days, exclusive of recesses and the lunch period. A complaint that the District has not complied with instructional minute requirements of the physical education adopted course of study for pupils in those grades may be filed under UCP. If merit is found in such a complaint, a remedy shall be provided to all affected pupils, parents and/or guardians.

Education Codes §§48645.7, 48853, 48853.5, 49069.5, 51225.1 and 51225.2, which address and provide for standardized notice of educational rights and complaint processes for pupils in foster care, pupils who are homeless, former juvenile court pupils now enrolled in a school district and pupils in military families to immediate enrollment, remaining in the school of origin, being enrolled in their local comprehensive school, obtaining partial credits, graduating with the State's minimum requirements, and access to academic resources, services, and extracurricular activities, have been amended to allow that a complaint of noncompliance with the requirements of the sections may be filed under the NMSS UCP. If merit is found in such a complaint, a remedy shall be provided to the affected pupil.

NMSS is prohibited from assigning pupils enrolled in grades 9 to 12 to courses without educational content. A complaint of noncompliance with the requirements of Education Code §51228.1 or §51228.2 may be filed under the UCP. If merit is found in such a complaint, a remedy shall be provided to the affected pupil.

A complaint that NMSS has not complied with requirements of the LCAP may also be filed using UCP. (Education Code §52075). An LCAP complaint may be filed

anonymously if it provides evidence/information leading to evidence to support an allegation of noncompliance. If merit is found in an LCAP complaint, a remedy shall be provided to all affected pupils, parents and/or guardians. LCAP requirements are found in Education Code §§52060-52076.

A complaint may be filed anonymously if it provides evidence or information leading to evidence to support an allegation of noncompliance. Complainants making a verbal complaint shall be referred to an administrator/designee who will assist any person with a disability or unable to prepare a written complaint. The Complainant may use the NMSS Uniform Complaint Procedures Form, or a signed letter outlining the allegation of violations, as long as the letter contains any relevant information that would have been included in the form.

NMSS shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of noncompliance with state and federal laws and/or regulations. Refusal by the complainant to provide the investigator with documents or other evidence related to the complaint allegations, or to otherwise fail or refuse to cooperate in the investigation or engage in any obstruction of the investigation may result in dismissal of the complaint because of a lack of evidence to support the allegations. Refusal by NMSS to provide the investigator with access to records and/or other information related to the complaint allegation, or to otherwise fail or refuse to cooperate in the investigation or engage in any obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in imposition of a remedy in favor of the complainant.

After a Complaint is filed

NMSS will acknowledge receipt of the complaint and review it to determine whether it meets the criteria for filing under the procedures or falls within the exceptions listed in the Uniform Complaint Procedures section of this policy.

The investigator will determine whether, in the estimation of NMSS mediation may be a productive alternative resolution. The mediation process may be terminated at any time and may proceed directly to an investigation. Mediation may not extend the timeline for investigation and resolution of the complaint unless the complainant agrees, in writing, to the extension.

The investigator will determine whether a discrimination, harassment, intimidation, and/or bullying complaint has been filed within six months from the date the alleged incident occurred or the date the complainant first obtained knowledge of the facts of the alleged incident. Confidentiality of complaints alleging discrimination, harassment, intimidation, and/or bullying will be observed to the maximum extent possible.

If a discrimination, harassment, intimidation, and/or bullying complaint has not been filed in a timely manner, the complaint will be denied. NMSS will notify the complainant of the right to appeal.

Refer the complaint for investigation to the appropriate NMSS department.

NMSS will ensure that, within 60 days of receipt of the written complaint, the complaint has been resolved and/or investigated and that a written report of findings is issued to the complainant.

How long does it take?

Each complaint shall be resolved and a written report of investigative findings issued within 60 days of receipt of the written complaint unless the complainant agrees in writing to an extension of time. Mediation may not result in an extension of the investigation timeline unless the complainant agrees, in writing, to the extension.

Refusal by the complainant to provide the investigator with evidence related to the complaint allegations, or to otherwise fail or refuse to cooperate in the investigation or engage in obstruction of the investigation may result in dismissal of the complaint because of lack of evidence to support the allegations.

NMSS may obtain statements from individuals/witnesses who can provide relevant information concerning the alleged violation. NMSS will review documents that may provide information relevant to the allegation.

NMSS will prepare a written report (in English and in the language of the complainant) of the investigative findings which contains the following elements:
