

School Accountability Report Card Reported Using Data from the 2019–2020 School Year

California Department of Education

New Millennium Secondary School

Address: 1301 W. 182nd St

Phone: 310-999-6162

Principal: Samantha Navarro

Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

School Description and Mission Statement (School Year 2020–2021)

NMSS serves students in the 9th through 12th grades, primarily located in the Gardena/Carson areas of Los Angeles County. New Millennium Secondary School originated in Carson, California. Our demographics shifted when we moved from Carson to Gardena. Due to the origination in Carson, California, a city that has a large African American community and presence, our school was able to build a name for itself within that community. That reputation has traveled with NMSS in the move to Gardena, California where the school still has a high enrollment of African American students. This move has also enabled us to establish ourselves in the Latino community of Gardena where NMSS has been able to see that student demographic increase.

Goals and Philosophy

Mission

The New Millennium Secondary School's mission is to prepare traditionally underserved students for success in the 21st century by providing a rigorous and relevant college-preparatory education that invests in talented human capital, provides early college experiences, and strives to adapt public education to the new millennium.

Vision

The New Millennium Secondary School's vision is to create empathetic, ethical, responsible, self-actualized, innovative citizens and provide an educational environment that empowers students, teachers, parents, and community through critical thinking, digital entrepreneurship, and collaboration resulting in graduates who are college ready and clearly developed in both character and intellect.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019–2020)

Narrative provided by the LEA

Use this space to provide information about Career Technical Education (CTE) programs as follows:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

PARENT ENGAGEMENT

Meaningful parent involvement is a critical dimension of New Millennium Secondary School and improves student achievement. Research has shown that active and consistent parent involvement leads to student success.

Parent/Student/Staff School Compact

NMSS firmly believes that all students can and will achieve at high levels when administrators, teachers, staff, and parents work in collaboration with each other. As stated in the Parent/Student/Staff School Compact, each partner accepts responsibility for the successful education and college preparation of each student. This document is part of each student's enrollment packet and is explained to all new families during orientation. Continuing parents and students are asked to sign the compact at the beginning of each school year.

Parents as Partners

The school values the role of parents as their child's first teacher and welcomes their active involvement in their child's education.

NMSS believes:

- Parents are partners and are needed to take active and meaningful role to insure the success of the school.
- Parents must be meaningfully and actively engaged in their child's education and responsible for supporting their child's learning at home.
- Parents must also understand what it will take to prepare their child for college.
- Parents must complete an annual parent satisfaction survey.

Tips to Help Your Child Succeed

Research shows that effective and consistent parent participation leads to student success. Below are some suggestions to help your child succeed academically.

1. Encourage your child to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your child arrives to school on time each day and supports the school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Review your child's agenda or homework calendar and encourage your child to keep track of homework assignments, projects, exams, and other important school events.
4. Monitor your child's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your child is doing in school.
5. If your child is struggling with their schoolwork or needs help, speak with your child's Advisory Teacher and/or course teachers and ensure that your child attends Teacher Office Hours.
6. Help your child establish a regular time and place to study and the complete their homework and school projects. Make sure your child's study area is well-lit and is stocked with necessary school supplies.
7. Talk to your child about what is happening at school and what they are learning.
8. Encourage your child to read for pleasure and limit TV, video game, and Internet usage.
9. Attend all scheduled parent/teacher conferences, school activities, and parent educational workshops.

Parent Volunteering

There are a number of ways you can volunteer and demonstrate your commitment to your student's education. Possible volunteer activities to support NMSS include:

- Office support
- Fundraising activities
- Field trip assistance and supervision
- Special events assistance
- Arrival and dismissal supervision
- Classroom clean up and set up
- Classroom aide
- Recruitment
- Attending Parent Booster and/or Board of Director's meetings

- Volunteering with the Student Services Department
- Donating items requested by classroom teachers
- Participating on the School Site Council

We truly appreciate your participation as a parent volunteer and we will make every attempt to match your interests and skills with the projects or tasks that you comfortable with.

How to Volunteer

Review the descriptions of the possible volunteer opportunities and sign-up for a specific volunteer activity at the Parent Orientation or during Back to School Night. A schedule will be developed based on your interests and availability. Feel free to call the Assistant Principal at any time thereafter to volunteer. Fingerprinting is required in order to volunteer at NMSS as per California law.

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)**Narrative provided by the LEA**

New Millennium Secondary School has been distance learning since March 16th 2020. The Safety Plan that will be implemented will be based on COVID regulations once students are able to be back on campus.

Mission**VISION STATEMENT**

The New Millennium Secondary School's mission is to prepare traditionally underserved students for success in the 21st century by providing a rigorous and relevant college-preparatory education that invests in talented human capital, utilizes cutting-edge technology, and strives to adapt public education to the "new millennium".

1. New Millennium Secondary School will provide a safe, orderly, and secure environment conducive to learning.
2. New Millennium Secondary School will create a school in which pupils will attend regularly and be safe from both physical and social-psychological harm.
3. New Millennium Secondary School will work collaboratively with the school office and school board to identify, establish and use strategies and programs to comply with school safety laws.
4. New Millennium Secondary School will develop a plan to work cooperatively and collaboratively with parents, pupils, teachers, administrators, counselors and community agencies, including law enforcement, to provide a safe and orderly school and neighborhood.
5. New Millennium Secondary School will develop an academic program that will focus on high expectations of pupil performance and behavior in all aspects of the school experience.
6. New Millennium Secondary School will work collaboratively with other elementary, middle schools and high schools to assist in a smooth transition from one school level to another.
7. New Millennium Secondary School will solicit the participation, views, and advice of teachers, parents, school administrators, and community members and use this information to promote the safety of our pupils, staff and community.
