310-999-6162 X132

Courses: Algebra 1, Jaime Escalante, Math Analysis

**Without mathematics, there's nothing you can do.
Everything around you is mathematics.
Everything around you is numbers.**

- Shakuntala Devi

rs. Gonzales (Resource Specialist)

Resource Specialist main responsibilities: *providing instruction and guidance, reporting to parents and teachers, monitoring student progress, and implementing individualized education programs.*

Purpose of SPED – *“Special education is instruction that is specially designed to meet the unique needs of a child with a disability. This means education that is developed to address that child's specific needs in order to achieve his or her highest learning potential.*

“My mission as a teacher is to help my students realize that through learning, they can enhance their life in a positive way. I want to help all my students believe in themselves and through that belief, take on the challenges of life and go forward.”

Contact info: (310) 977-7307
agonzales@newmillenniumschool.org

Kyle Lentz

Classes 2022/23:
World History, United States History, Journalism

- In our classes, we will be centering accountability & critical thinking. As we approach the end of the school year, we will be polishing students' reading & writing skills!
- Email: sshatkina@newmillenniumschool.org
- Extra Credit Password: Henry Clerval

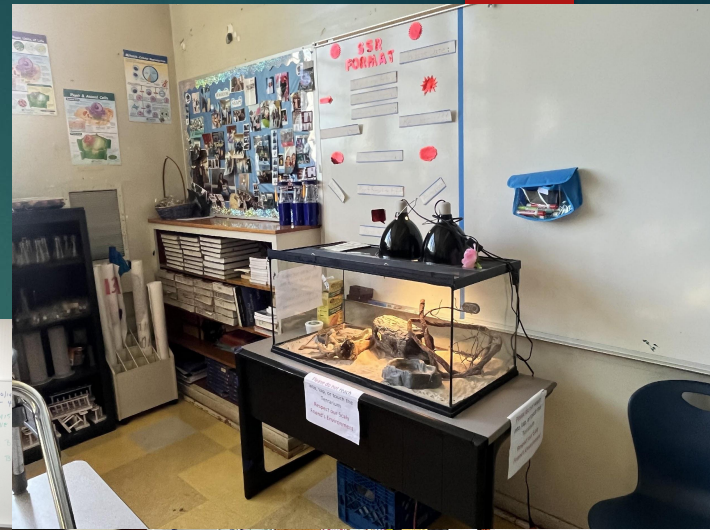

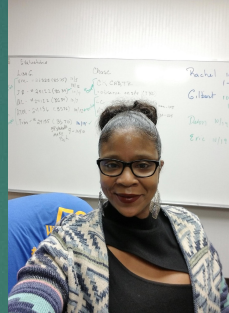

NMSS Science & ASB

As the Science teacher at NMSS, it is my daily task to inform student curiosity by fostering a learning environment that welcomes inquiry. Science is an ever-changing discipline, therefore I also have the pleasure of learning with them and relating our class content to that of other subjects.

Please feel free to contact me with any suggestions, questions, or concerns at:

russell@newmillenniumschool.org

(310) 999-6162 ext 136

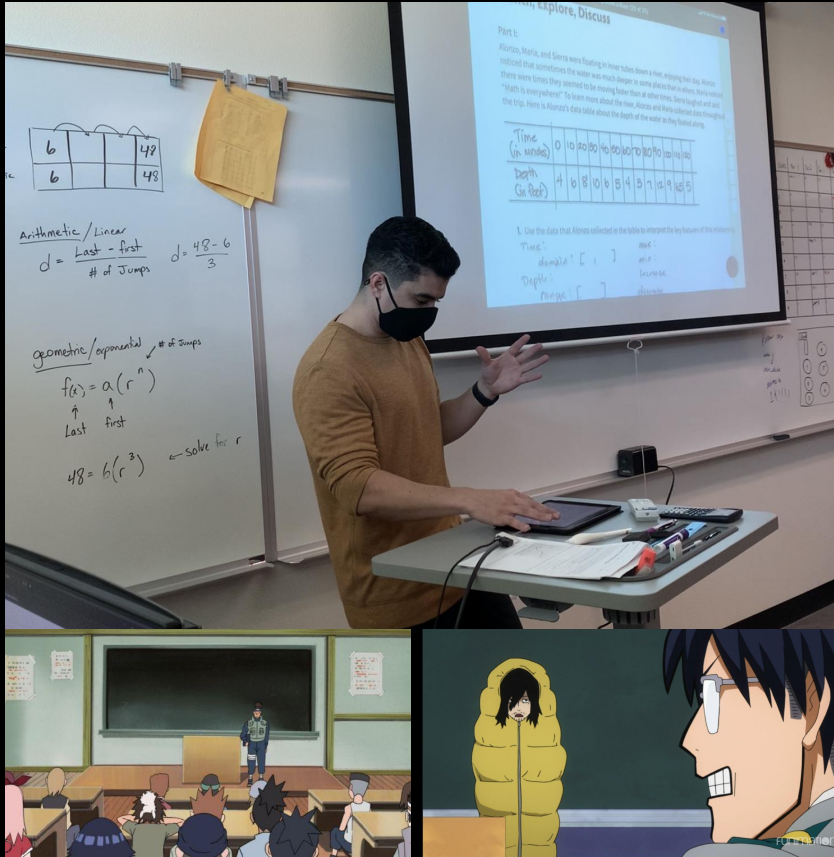

Mr. Flores

Contact:

aflores@newmillenniumschool.org

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education”
