¹ AB 130 added Section 47607.4 to the California Education Code (Ed. Code), which extends the term of all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, by two years.

CHARTER RENEWAL CRITERIA

In accordance with Education Code §§ 47605, 47607, and 47607.2, in order to renew a charter, the District must determine whether the charter school has met the statutory requirements.

REPORT GUIDE

LAUSD’s oversight procedures are intended to balance a charter school’s autonomy of operation with its accountability to the public. LAUSD utilizes a holistic, performance-based approach to evaluate all charter schools, guided principally by making decisions in the best interest of students. The CSD observes and monitors each charter school in accordance with applicable laws, regulations, LAUSD policy, memoranda of understanding, and the school’s operative charter. Information gathered through oversight serves as part of the charter school’s ongoing record for the District to make informed decisions about charter school authorization, renewal, material revisions, sharing of promising practices, and if need be, revocation. While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school’s own Governing Board. The Governing Board of a charter school has an ongoing responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders. In designing this document, the District has considered California charter school law, as well as the *LAUSD Policy and Procedures for Charter Schools*, California State Board of Education’s criteria for evaluating charter schools, and the National Association of Charter School Authorizers’ *Principles and Standards of Quality Authorizing*. This reporting tool provides guidelines and criteria used by the CSD to observe, record, assess, and reflect with the charter school on school performance as captured during the annual oversight visit process in these four categories:

Governance – demonstrating fulfillment of the Governing Board’s fiduciary responsibility to effectively direct and provide oversight for the charter public school, including but not limited to enactment and monitoring of policies and procedures to ensure the school’s full compliance with applicable law, policy, and the terms of the charter approved by the LAUSD Board of Education

Student Achievement and Educational Performance – demonstrating positive academic achievement and growth for all students

Organizational Management, Programs, and Operations – demonstrating effective leadership and implementation of the governing board’s policies and procedures, as well as the school’s educational program and systems and procedures for the day-to-day operations of the school

Fiscal Operations – demonstrating sound fiscal management, appropriate use of public funds, and compliance with regulatory requirements

This report, including the ratings in each category, is based on information and evidence gathered at the time of the annual oversight visit. The CSD considers evidence provided through CSD staff observations, document review, interviews, and discussion with school representatives and stakeholders. All charter schools are expected to prepare for the visit and have available, as applicable, all documentation requested in the *Annual Performance Based Oversight Visit Preparation Guide 2022-2023*. The “Sources of Evidence” sections below identify key information sources generally relevant to their respective indicators; these lists are not exhaustive, however, and some items may not be applicable to the grades served. Schools may present additional evidence as deemed relevant and appropriate. As needed, CSD staff also may request additional information and/or documentation prior to, during, and/or following the visit.

The tool employs the following four-point rubric to rate the school’s performance in each category: (4) *Accomplished*, (3) *Proficient*, (2) *Developing*, and (1) *Unsatisfactory*. In addition, the *Summary of School Performance* section in each category captures key findings under one or more of the following headings: (1) Areas of Demonstrated Strength and/or Progress (Note: potential “promising practices” are identified within this section with an asterisk [*]); (2) Areas Noted for Further Growth and/or Improvement; and, if applicable, (3) Corrective Action Required. Under “Corrective Action Required,” the CSD reports findings of material noncompliance with applicable law, LAUSD charter policy, or the school’s approved charter. **If the report includes any findings under “Corrective Action Required,” the charter school must take immediate and appropriate steps to remedy the identified concern.** In accordance with its “tiered intervention” approach to charter school non-compliance and poor performance, the CSD may also send the school appropriate notices, separate and apart from this report, to provide and document time-specific follow-up as necessary. At the other end of the spectrum of performance, any school that earns a rating of *Accomplished* in any category is encouraged to submit to the CSD a summary of those “promising practices” that the school believes have contributed to its success, in order to support the CSD’s ongoing efforts to promote and facilitate reciprocal sharing of promising practices among education leaders from across all LAUSD schools.

<p><u>Areas of Demonstrated Strength and/or Progress</u></p> <ul style="list-style-type: none"> <li data-bbox="155 444 1997 688">● G2: BROWN ACT - The Governing Board complies with most material provisions of the Brown Act. Per Binder review, the Governing Board meetings occur regularly, are conducted openly, and provide opportunity for public participation in accordance with the Brown Act. During the oversight visit, it was brought to the attention of school leadership that the Brown Act requires meeting agendas to contain a brief general description of each item of business to be transacted or discussed, including items to be discussed in closed session. The description generally need not exceed 20 words. The purpose of this is to ensure interested members of the public understand the topic at hand and can determine whether they want to participate. Per the 5/12/2023 email from school leadership, “For each Board Agenda, we will now do at least 20 words of description to each line item whether that is bullet points or a quick summary.” <li data-bbox="155 737 1997 883">● G4: RESPONSIVE AND ACCOUNTABLE GOVERNANCE - The Governing Board considers school performance data, stakeholder input, and other data to inform decision-making (e.g., approving action plans, resources, evaluation criteria). A review of documentation and discussion with school leadership revealed that New Millennium Secondary School did not establish a schoolsite council (SSC) and English Learner Advisory Council (ELAC) for the 2022-2023 school year, which is a requirement per California Education Code [EC] Section 65000[b]. In response, per the 5/12/2023 email from school leadership, “Recruiting has started for the 2023-2024 school year. The process has been reinstated for both the SSC and the ELAC Board. Families have been reached through email, DM, and Text Message.” The CSD will continue to monitor and review through ongoing oversight. <p><u>Corrective Action Required</u></p> <p>None noted that require immediate action to remedy concerns indicated in this report.</p> <p>Notes: The New Millennium Secondary School Board was operating with four Board members at the start of the 2022-2023 school year until the May 22, 2023, Board meeting. The CSD observed at the 5/22/2023 NMSS Board meeting that the Board members reviewed and voted on a new Board member selection. New Millennium Secondary School Board now has five Board members which aligns to the 2022-2023 Governing Board Contact</p>	

Information form that was submitted to the CSD at the start of the 2022-2023 school year and the school’s current charter which states: “The Corporation may not have less than five, nor more than thirty Board Members.”

****NOTE: A charter school may receive a rating of 1 in this category for the following: (1) Evidence of conflict (s) of interest within the organization (i.e. Governing Board, staff, contracted external parties, etc.), (2) School is in breach of the operative charter, including Federal, State, and District Required Language, (3) School is “Not in Good Standing”, and/or (4) If there are serious concerns related to fiscal matters (e.g., negative financial condition, fiscal mismanagement, and/or significant audit findings, etc.).***

In response to the data, school leadership shared, “NMSS expanded summer enrollments, expanded Learning Loss Tutoring, and brought Edgenuity into the curriculum. NMSS continues to have READ 180 as a class. NMSS will continue to use NWEA results to guide instruction.” Further, school leadership noted the following: “Learning Loss can include individual help, group help, or online support. It also gives time to look at internal benchmarks and use that data to assist students with the help they need. Students with IEPs are able to move freely around campus during that time too by visiting the RSP Teacher and then the General Education Teacher. At times the RSP Teacher will be present in the General Education Teacher Classroom during Learning Loss...” In addition, school leadership shared, “Every ninth grade student entering NMSS will have 2 math classes. NMSS will continue to use NWEA results to guide instruction from their freshmen year through the rest of their time in high school. Using two math classes and NWEA data will help drive Learning Loss Tutoring also.”

Per the California Department of Education (CDE) School Dashboard data, New Millennium Secondary School **did not meet the participation rate** of 95% in 2022 for All Students, and the Latino and Socioeconomically Disadvantaged student groups. In ELA, the school had 86% of All Students tested, and in Math, 83% of All Students tested in 2022. Although the Latino and Socioeconomically Disadvantaged student groups are not considered numerically significant student groups (30 students or more), 86% of Latino students tested (19) and 81% of Socioeconomically Disadvantaged students (20) tested in ELA. In Math, 81% Latino students tested (19) and 76% of Socioeconomically Disadvantaged students (20) tested.

Per school leadership, “Our Junior Class last year was the smallest enrollment therefore putting much weight on the testing outcomes. We had a few students leave mid-year and did not get placed at their new school in CAASPP. Therefore, our data was not accurate since students that were no longer enrolled were still on the testing roster. With the delay in removal of students no longer enrolled at our school it had an impact on our percentage.”

Corrective Action Required

None noted that require immediate action to remedy concerns indicated in this report.

Notes:

Due to the COVID-19 pandemic, state law suspended the reporting of state measures on the 2021 California School Dashboard. The color-coded performance level or Change level will not be issued due to the suspension of state measures on the 2021 Dashboard and not having two consecutive years of reported data. Accordingly, indicators in the Student Achievement and Educational Performance category for the 2022-2023 Annual Performance-Based Oversight Report are scored based on 2022 Status level data except for the College/Career Indicator (CCI), as CAASPP testing was optional for the 2020-2021 school year. CCI will resume with “Status Only” reporting on the 2023 Dashboard.

A11: As of the time of the issuance of this Annual Performance-Based Oversight Visit Report, the state has not published the “Annual Reclassification (RFEP) Counts and Rates” for the 2021-2022 academic year. Considering this fact, the 2022- 2023 Annual Performance-Based Oversight Visit Report does not rate the Student Achievement and Educational Performance indicator “A11: English Learner Reclassification.” Please note that, depending on the release date of the 2021-2022 RFEP counts and rates, the District may elect to update and reissue a revised 2022-2023 Annual Performance-Based Oversight Visit Report with indicator A11 rated and calculated into the final overall Student Achievement and Educational Performance category rating.

The school employs the following English Learner (EL) Reclassification Criteria:

Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following:

- Assessment of language proficiency using an objective assessment instrument including, but not limited to, the ELPAC. At NMSS students must score a 4 on the ELPAC per state requirements.
- Participation of the pupil's classroom teachers and any other certificated staff with direct responsibility for teaching or placement decisions of the pupil to evaluate the pupil's curriculum mastery. At NMSS EL students must be passing their ELA content area courses with a C or better in order to be able to meet the reclassification qualifications for this category.
- Parental opinion and consultation, achieved through notice to parents or guardians of the language reclassification and placement including a description of the reclassification process and the parents' opportunity to participate, and encouragement of the participation of parents or guardians in the reclassification procedure including seeking their opinion and consultation during the reclassification process.
- Comparison of the pupil's performance in basic skills against an empirically established range of performance in basic skills based upon the performance of English proficient pupils of the same age that demonstrate to others that the pupil is sufficiently proficient in English to participate effectively in a curriculum designed for pupils of the same age whose native language is English.
- Resignation at NMSS is based on EL students meeting the requirements in all reclassification criteria, from ELPAC scores to ELA class performance to comparison standards on Lexile scores. We ask that our EL students who are reclassified meet an average Lexile score of above 1000. The Lexile score of 1000 and above is the average Lexile score of incoming at grade level 9th graders. We believe at NMSS that if our EL students can meet the Lexile score of 1000 or above as well as meet the standard of Advanced on the ELPAC along with a passing grade in their core ELA courses they are ready to be reclassified and scaffolded away from EL accommodations and instruction.

Rate of "**At Risk**" ELs is **Lower** in comparison to the state average

Rate of "**LTEs**" is **Higher** in comparison to the state average

NMSS offers two diplomas: a General Diploma and a Millennium Scholar Diploma. Both diplomas require the completion of course work, and the completion of 75 community service hours.

General Diploma:

1. Earn 230 credits
2. Complete the A-G course requirements
3. Take and pass one semester of a college-administered course
4. Complete 75 community service hours

Millennium Scholar Diploma:

1. Earn 250 credits
2. Have a cumulative GPA of 3.0 or above

3. Complete the A-G course requirements
4. Take and pass one semester of a College-level “in seat” course
5. Pass one College-level on-line course
6. Complete 100 community service hours
7. Complete a community service project
8. Complete a digital media portfolio

Both diplomas meet the basic entrance requirements for California State and UC systems, though do not guarantee admission to all universities.

A12: INTERNAL ASSESSMENT – VERIFIED DATA IMPLEMENTATION – QUALITY INDICATOR #12

The information provided in this report on internal assessments is to determine the charter school’s verified data implementation, as applicable. As part of renewal (once and as applicable) for charter schools that are identified by the California Department of Education (CDE) as Middle or Low Performing, the LAUSD Board shall consider schoolwide performance and performance of all student groups on the California School Dashboard and shall also consider clear and convincing evidence, demonstrated by verified data, showing either a) the school achieved measurable increases in academic achievement, as defined by at least one year’s progress for each in school or b) strong postsecondary outcomes equal to similar peers.

The LAUSD Board shall only consider verified data adopted by the State Board of Education pursuant to Education Code section 47607.2(c) (Approved List). In addition, staff’s review of the charter school’s submitted materials will be based on the verified data sources and related information adopted by the State Board of Education (Ed. Code, § 47607.2(c)(3).) Charter schools submitting verified data for this purpose must adhere to the state-approved criteria.

The information below is based on charter school’s self-reported data and will not be scored.

The school must provide an annual update to the Charter Schools Division by June 1 of each year of the charter term demonstrating its progress related to the following:

- The school will maintain the percentage of English Learners demonstrating English Language Proficiency as measured by reclassification rates at a rate equal to or higher than the District Average.
 - As noted earlier, the state has not published the “Annual Reclassification (RFEP) Counts and Rates” for the 2021-2022 academic year.

<u>Areas of Demonstrated Strength and/or Progress</u>	
<ul style="list-style-type: none"> • O2: HEALTH AND SAFETY TRAINING AND PREPARATION -The school has a system in place to ensure required health and safety training for the protection of students and staff is completed and in compliance with applicable legal and charter school requirements related to health and safety. Progress is noted from the 2021-2022 school year regarding the (“epi-pen”) onsite and training provided to staff member(s) in the storage and emergency use of the epi-pen, per applicable law. Based on binder review and discussion with leadership, all staff are trained in the use of EpiPens (10/28/2022), and per school leadership, “Replaced Epi-Pen was ordered and delayed due to supply shortage; Access to Epi-Pen via Gardena Clinic and Gardena Nurses Office”. Documents in Binder 3 showed evidence of emergency safety drills and staff training, and staffs’ Certificate of Completion for child abuse mandated reporting, Bloodborne Pathogen Exposure Prevention and Youth Suicide: Awareness, Prevention and Postvention trainings. 	
<u>Areas Noted for Further Growth and/or Improvement</u>	
<ul style="list-style-type: none"> • O3: IMPLEMENTATION OF THE EDUCATIONAL PROGRAM - The school has partially implemented the educational program, including key features, outlined in the school’s charter and aligned to California State Content Standards specific to the grade levels served. As noted on Pages 13-14 of this oversight report, although the Latino and Socioeconomically Disadvantaged student groups are not considered numerically significant, they performed significantly below the State’s DFS for those student groups in both ELA and Math. The CSD will continue to monitor and review student achievement data through ongoing oversight. • O8: STAKEHOLDER ENGAGEMENT AND INVOLVEMENT - The school has a partial system for stakeholder engagement, including gathering input, encouraging involvement, sharing information, and resolving concerns. Based on a review of documentation provided in Binder 1 and 3 and discussion with school leadership, it was found that New Millennium Secondary School did not have a Schoolsite Council and ELAC established in the 2022-2023 school year. As noted on Page 4 of this oversight report, the CSD will continue to monitor and review through ongoing oversight. • O11: CLEARANCES AND CREDENTIALING COMPLIANCE - The school has partially implemented and intermittently monitors systems and procedures to maintain compliance with applicable law, including but not limited to clearance, credentialing, and assignment requirements. Based on a review of the ESSA Grid at the time of the site visit, it was found that one teacher did not have an EL authorization. Therefore, the school has received an overall rating of 2 in this Organizational Management, Programs, and Operations category. On 6/13/2023, the CSD reminded school leadership that California statute <i>requires that every teacher who provides instructional services to an English Learner be authorized to provide specialized instruction for those learners</i>. In response, per 6/15/2023 email from school leadership, 	

the teacher is “registered for the CTET 1, 2, & 3” on July 27, 2023, to obtain an English Learner Authorization. This is to note that similar to last school year (2021-2023), NMSS is receiving a rating of “2” for this indicator, and as stated previously in the 2021-2023 Oversight Report, this matter will continue to be monitored and reviewed through ongoing oversight.

Corrective Action Required

The school, under the supervision of its Governing Board, needs to take any and all additional steps necessary and appropriate to remedy and avoid any recurrence of issues of monitoring systems and procedures to maintain compliance with applicable law, including but not limited to **clearance, credentialing, and assignment requirements**. The CSD will continue to monitor and follow up through ongoing oversight.

***NOTE:**

- *A charter school cannot receive a rating in this category greater than 1 for any of the following reasons: (1) Failed to complete criminal background clearances for any new staff and/or sole proprietor (as defined on the Certification of Clearances, Credentialing, and Mandated Reporter Training 2022-2023) prior to employment; and/or failed to obtain DOJ clearance certification, as appropriate, from a vendor; and/or (2) Failed to have Health, Safety, and Emergency Plan in place.*
- *A charter school cannot receive a rating in this category greater than 2 for any of the following reasons: (1) Failed to conduct child abuse mandated reporter training in accordance with Education Code 44691; or (2) Any teacher of the core instructional program is not appropriately credentialed and assigned per legal requirements and the school’s current approved charter.*
- *A charter school may receive a rating of 1 in this category if the school is in breach of the operative charter, including Federal, State, and District Required Language related to this section.*

The school has a system in place to ensure:

- The school is able and prepared to implement its emergency procedures in the event of a natural disaster or other emergency (includes threat assessment protocol). School staff and other mandated reporters working on behalf of the school receive timely training on child abuse awareness and reporting, as outlined in Ed. Code, § 44691 .
- Maintenance of an emergency epinephrine auto-injector (“epi-pen”) onsite and training has been provided to volunteer staff member(s) in the storage and emergency use, per Ed. Code § 49414
- For schools offering an interscholastic athletic program, at least one automated external defibrillator (AED) is onsite and available for use, as outlined in Ed. Code § 35179.6

Areas of Demonstrated Strength and/or Progress:

The school’s fiscal condition is positive. Please refer to the Financial Highlights table above.

Areas Noted for Further Growth and/or Improvement:

No significant items noted.

Other Observations (Items described in this section, which may not have been addressed in the charter school’s Fiscal Policies and Procedures, are recommended for improvement to align with optimal business practices).

1. Late Fees, and/or Finance Charges:

Based on the CSD’s review of the school’s check register and supporting documentation for the period spanning from March 2022 through March 2023, a sample of 16 transactions and six (6) electronic credit/debit transactions were selected for further review. The CSD noted two (2) checks that referenced late fees, and/or finance charges totaling \$77.59. These late fees and/or finance charges are summarized below.

Item #	Check #	Check Issuance Date	Invoice Due Date	Vendor/Payee	Check Amount	Late Fee / Finance Charges	Transaction Description
1	2000767	2/10/2023	1/12/2023	Canon Financial Services, Inc	\$543.00	\$45.59	Late Fee
2	2000774	2/10/2023	1/20/2023	Pitney Bowes Global Financial Services LLC	\$150.75	\$32.00	Past Due
Total					\$693.75	\$77.59	

Page 7 of NMSS’ current Fiscal Control Policies and Procedures Handbook states: “Once approved by the Chief Operating Officer, he/she will sign the invoice recap sheet and complete the required information, including noting the specific budget line item that is to be charged for the specified expenditures.

The invoice and supporting documentation will be sent to CSMC on at least a weekly basis (Chief Operating Officer should be aware of invoice due dates to avoid late payments).”

In response to the CSD’s observation above, NMSS’ Chief Operating Officer (COO) stated: “Pay window is too short to allow for processing and mailing of the check. School is working with the vendor to extend 15 days turn around to 30 days, and/or receive electronic invoices and the school will utilize online access to accounts, to review and process pending invoices. Due to being co-located, any postal correspondence is not directly received; it may also undergo delays or become lost in transit or sortation once it arrives. We understand that mailed invoices are included in this uncontrollable circumstance. Therefore, we are working with vendors and service providers, to enroll in e-statements wherever possible.”

The CSD recommends that the school strictly adhere to its governing board-approved fiscal policies and procedures pertaining to the timely payment of invoices and that it implements procedures to track all recurring and non-recurring invoices and billing statements to ensure that all vendors are paid timely, to prevent the school from incurring late fees in the future.

The Charter Schools Division will continue to monitor the issue referenced above during the next oversight visit. The results may be factored into the school’s rating for next year.

Corrective Action Required:

None noted that require immediate action to remedy concerns in this report.

**Notes:****I. Review of Fiscal Documentation**

1. Reviewed independent audit report for the Fiscal Year ended June 30, [2021 or 2022], and noted the following:
 - a. Audit opinion: Unmodified/Unqualified.
 - b. Material weaknesses: None Reported.
 - c. Deficiencies/Findings: None Reported.
 - d. Lack of a Going Concern: None Reported.
2. The 2021-2022 audited and unaudited actuals nearly mirror each other.
3. The school's reported Norm Enrollment was 196, 189, 185, 184, and 149 students for Fiscal Years 2018-2019, 2019-2020, 2020-2021, 2021-2022, and 2022-2023 respectively, representing an accumulated decrease in enrollment of 47 students (23.98%) since Fiscal Year 2018-2019. The school's reported Norm Enrollment for Fiscal Year 2022-2023 is 149 students, which is 76 students (or approximately 33.78%) below its projected student enrollment for Fiscal Year 2022-2023 (i.e., 225 students) per the school's petition enrollment roll-out plan in its current charter. When inquired as to what the organization is doing to increase enrollment, NMSS' COO stated: "NMSS has experienced a large decrease in the 2022-2023 school year. We sent out several surveys to student parents for more information regarding the reason they are no longer attending NMSS. Most of the feedback was due to COVID-19 and family issues. Parents are concerned with the state of COVID and felt uncomfortable with their students being on campus and decided to continue homeschooling the student. NMSS doesn't offer homeschooling or virtual learning at this time. We reassured the parents that we are following all the state and LAUSD guidelines for the students to have a safe place to return. NMSS has partnered up with the student recruitment agencies to help with recruiting new students for the upcoming school year. Our plan is to offer more high school recruitment events, post ads with radio stations, rent billboards around the target areas, and reach out to our current students' families, and attend other middle school recruitment events. We are reaching out to the community for partnerships and advertisement." As noted above, the school has maintained a balanced budget for Fiscal Year 2021-2022 and projects a balanced budget for Fiscal Year 2022-2023 per its 2022-2023 Second Interim Financials. The CSD will continue to monitor the school's student enrollment through oversight.

NMSS has committed to satisfying this amount owed, pursuant to a payment plan comprised of sixty-two (62) monthly payments of \$176.83, commencing in March 2022. Per the LAUSD Charter Schools Accounting Unit's record, as of 3/31/2023, NMSS owed \$8,841 for Proposition 39 over-allocated space reimbursement fees to LAUSD.
