HERE TO SERVE AND SUPPORT

NMSS Mission and Vision

Mission

The New Millennium Secondary School's mission is to prepare traditionally underserved students for success in the 21st century by providing a rigorous and relevant college-preparatory education that invests in talented human capital, provides early college experiences, and strives to adapt public education to the new millennium

Vision

The New Millennium Secondary School's vision is to create empathetic, ethical, responsible, self actualized, innovative citizens and provide an educational environment that empowers students, teachers, parents, and community through critical thinking, digital entrepreneurship, and collaboration resulting in graduates who are college ready and clearly developed in both character and intellect.

So, how do we do it?
